

Manual Wheelchair Carriers

CADDY

The easy-to-install Silver Star™ Caddy wheelchair carrier from Pride® makes transporting your manual wheelchair simple and inexpensive. Plus, like all Silver Star products, the Caddy features an all-steel frame and quality construction.

- Removable sections for easy storage
- Mounts to Class I hitch
- 100 lbs. carrying capacity

HITCHHIKER

Lightweight, simple to install, and easy to use, the Silver Star™ Hitchhiker manual wheelchair carrier from Pride® is the easy way to transport your manual wheelchair. Just push your wheelchair into position and the Hitchhiker locks it in place. Plus, like all Silver Star products, the Hitchhiker features an all-steel frame and quality construction.
