

OUTLANDER

Exterior Lifts

**REDESIGNED
Swing-away
Adaptor**

The optional Swing-away Adaptor allows an Outlander lift to be easily pivoted away from the vehicle for easy access to the trunk, lift gate or tailgate.

FEATURES:

- NEW** • Wiring harness internally routed
- NEW** • Height adjustable via existing hitch tubes
- NEW** • Locking points at 90° and 180° to avoid unintentional closing
- NEW** • Tension adjustment for easy operation and long-lasting durability
 - Auto latching
 - Safety locking pin
