

HYBRID LIFT SYSTEMS

EASY AS 1, 2, 3!

The AL600 Hybrid Platform Lift is the ultimate user-friendly power chair and scooter lift. One button deploys the platform for drive-on, drive-off simplicity. The remote hand control powers the lift allowing it to secure virtually any scooter or power chair into the back of most SUVs, vans, and minivans. Most installations utilize existing third-row seating mounts, requiring no further vehicle modification.

STEP 1.

Simply drive on and secure.

STEP 2.

One button operation lifts and retracts the lift into the back of your vehicle.

STEP 3.

Close the hatch and go!

Harmar Mobility produces lift and ramp products that enhance people's mobility, independence and quality of life. Products include Inside, Outside and Hybrid Auto Lifts, along with Residential and Portable Access Ramps.

OUTSIDE LIFT SYSTEMS

Harmar is the leader and benchmark all others look to for ease of use, quality and performance. Models capable of fitting Class I, II or III hitches.

INSIDE LIFT SYSTEMS

The universal design of Harmar's inside lifts with lifting capacities from 200 to 400 lbs. allows installation in virtually any vehicle.

MICRO LIFT SYSTEMS

Designed to combine quality with budget, these user-friendly models feature manual, powered or combination capabilities.

ACCESS RAMP SYSTEMS

Designed for ease of use at home or while traveling. These commercial quality ramps are built to access vehicles, landings and other unkind elevation changes.

HYBRID LIFT SYSTEMS

INTRODUCING...

America's Leader in Lifts & Ramps

Model AL600 Shown

Harmar Mobility designs, engineers and produces American made lift and ramp products that enhance people's mobility, independence and quality of life. Our products include a complete line of Auto Lifts and Access Ramps.

Harmar Mobility products are available exclusively through a nationwide network of authorized dealers. Customers receive care from the nation's top mobility dealers. Harmar's dealers will assist in determining the best product to fit your needs and budget. It is imperative to have an authorized Harmar dealer demonstrate, install and service your Harmar lift.

Harmar's lifts and ramps are designed and built with the "Harmar difference" - they are simpler, stronger, lighter and easier to use.
