All specifications are subject to change without notice.

Shoprider Mobility Products, Inc® reserves the rights of any changes to the unit:

1) Include the anti-tip wheel or rear castor.

2) Driver Weight may exceed weight of the unit; speed must be reduced when turning.

*3) The actual driving range varies with the factors shown below:

a) The weight of user.

e) Ambient Temperature.

b) Ground surface and terrain.

f) The way and/or method of driving.

c) Battery capacity and conditions.

g) If the battery and mechanical moving parts are fully broken in.

d) Type of charger.
