# PRO POOL LIFT™ PORTABLE KIT

BY AQUA CREEK PRODUCTS

If you are looking to keep your deck clear and anchor free, then our PRO POOL LIFT™ - PORTABLE KIT is the option for you. The PRO POOL LIFT™ - PORTABLE KIT will allow you to easily position the PRO POOL LIFT™ almost anywhere on the deck without the need for anchors. When not in use, the lift can then be easily stored out of the way. The PRO POOL LIFT™ - PORTABLE KIT simply bolts on to any existing PRO POOL LIFT™. The portable frame is constructed of stainless steel, and has a UV resistant powder coat finish. The counterweights are constructed of cast iron, sealed inside of a LLDPE rotationally molded housing. The PRO POOL LIFT™-PORTABLE KIT is rated for 400 lbs with the battery model and 300 lbs with the water model. Limited 5-year warranty. Ships truck freight and weighs 850 lbs.
