

AL030

POWER TOTE

IDEAL FOR MANUAL WHEELCHAIR TRANSPORT

Lightweight, powered lift designed for transporting manual wheelchairs. Features a 100 lb capacity with simple, one-switch operation. Adjustable hold-down arm safely secures the chair. Lift folds when not in use.

One-switch operation

Adjustable
hold-down arm

Wheel cradle

The power tote has made getting around so much easier. Instead of struggling to get my wheelchair into the back seat, now it can simply roll onto the lift, power into position, and away I go. Saves room too!
