CREW CAB LIFTS

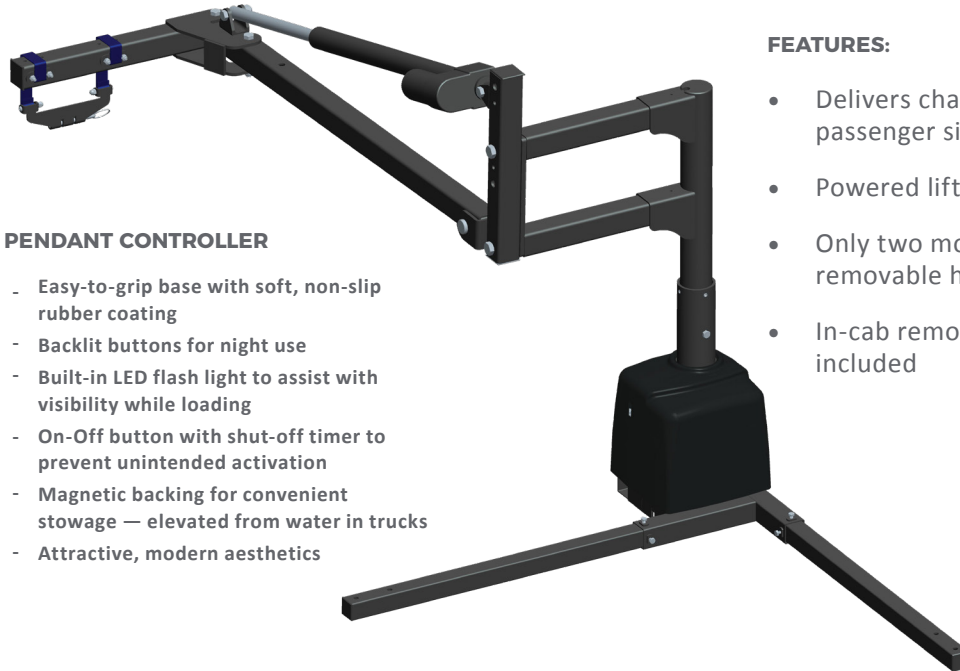

LIGHTWEIGHT AND ECONOMICAL

Harmar's Crew Cab lifts offer a quality choice in capacities to handle most mobility devices. Each offers powered lifting and rotation with a boom that adjusts in both height and length for more flexibility in installation and use.

FEATURES:

- Delivers chair close to driver or passenger side door
- Powered lifting and rotation
- Only two motors to control with removable hand control
- In-cab remote control extension included

PENDANT CONTROLLER

- Easy-to-grip base with soft, non-slip rubber coating
- Backlit buttons for night use
- Built-in LED flash light to assist with visibility while loading
- On-Off button with shut-off timer to prevent unintended activation
- Magnetic backing for convenient stowage — elevated from water in trucks
- Attractive, modern aesthetics
