

RUBBER THRESHOLD RAMPS

Mobility Made Easy

Rubber Threshold Ramps can be used indoors and outdoors in a variety of locations, whether it's in your home, the office or the garden.

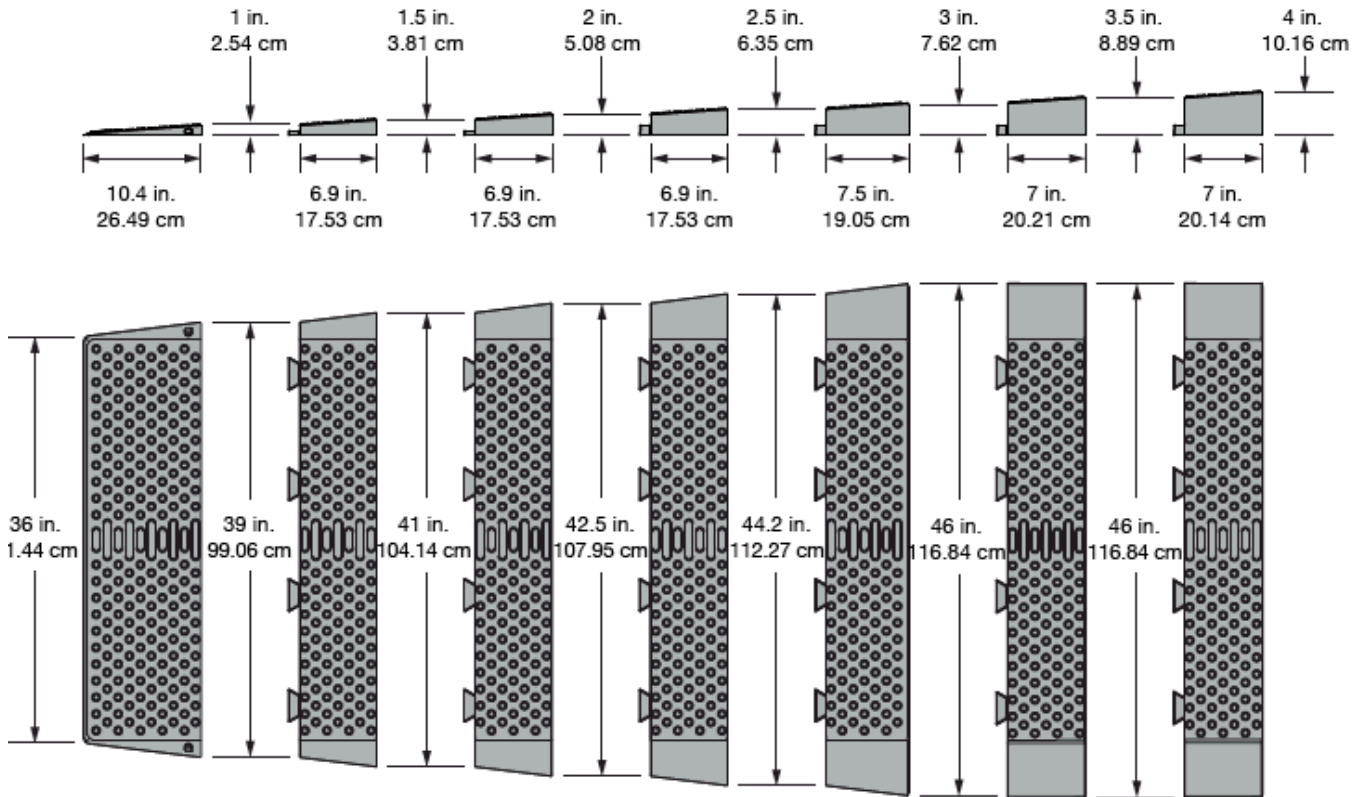

Rubber Threshold Ramps provide a durable, safe means of navigating uneven surfaces including small steps and doorways. A hidden dovetail locking system allows for easy installation and incremental ramp height adjustment of up to 4 inches. Modular design makes Harmar Rubber Threshold Ramps a practical and affordable accessibility solution for indoor and outdoor use.

BENEFITS

- Custom fit
- Slip resistant
- Easy to install
- Maintenance-free
- Meets ADA slope requirements

DESIGNED FOR **EASY** ACCESS

Rubber Threshold Ramps

The Rubber Threshold Ramp has a maximum incline of 4° (7%), which meets the requirement established by the ADA.
